Sydney University Mathematical Society Problem Competition

If you are looking for the web page of the Sydney University Mathematical Society (SUMS), [click here](#).

SUMS Problem Competition

The SUMS Problem Competition was a correspondence-based mathematical problem-solving competition for Australian undergraduate students, run by various organizers at the University of Sydney each year from 1964 to 2015. It was decided after 2015 to wind up the competition, to allow the growth of other competitions of a different kind. In particular, see the [Simon Marais Mathematics Competition](#).

Past Competitions

Here are the SUMS Competition problems, results and solutions from the years for which electronic files exist:

- 2015 [problems](#), [results](#) and [solutions](#)
- 2014 [problems](#), [results](#) and [solutions](#)
- 2013 [problems](#), [results](#) and [solutions](#)
- 2012 [problems](#), [results](#) and [solutions](#)
- 2011 [problems](#), [results](#) and [solutions](#)
- 2010 [problems](#), [results](#) and [solutions](#)
- 2009 [problems](#), [results](#) and [solutions](#)
- 2008 [problems](#), [results](#) and [solutions](#)
- 2007 [problems](#), [results](#) and [solutions](#)
- 2006 [problems](#), [results](#) and [solutions](#)
- 2005 [problems](#), [results](#) and [solutions](#)
- 2004 [problems](#), [results](#) and [solutions](#)
- 2003 [problems](#), [results](#) and [solutions](#)
- 2002 [problems](#), [results](#) and [solutions](#)
- 2001 [problems](#), [results](#) and [solutions](#)
- 2000 [problems](#), [results](#) and [solutions](#)
- 1999 [problems](#), [results](#) and [solutions](#)
- 1998 [problems](#), [results](#) and [solutions](#)
